

The e-Wakening Academy  
**Affiliates Assistance Package**

## A Warm Welcome

I'm so happy you are here!

Welcome to one of the most heart-centred and generous affiliate programmes on the planet today. It is time to help the world awaken and to create a new world together.

That is what **The e-Wakening Academy** is about. The world of Lightworkers, Sensitives and Awakening Souls will benefit from all it has to offer. Others will benefit from YOU spreading the word and letting them know where the help is.

More products and services are being created right now to support people in their awakening, beyond 2012, through the earth changes and into being all they came here to be. New energy skills, free resources and support will be added regularly. **The e-Wakening Academy** will become *the* 'go to' place for awakening and empowerment as we birth a new world.

This Affiliate Family is about prospering each other equally which is why I made the bold decision to offer 50% of everything to you. HALF of everything sold via YOUR affiliate efforts will flow to you.

This 'Affiliates Assistance Package' has been created to help make your process of prosperity even easier. So please read it through carefully and take everything in. It will really help you get the best out of this generous opportunity that has been given to you.

With love and blessings  
*Kimberley Jones*

## Your Energy Investment

The **e-Wakening Academy** wants you to succeed.

I Kimberley want you to prosper.

I know you *can* prosper with a little effort.

I know you can earn a decent supplemental income with a little effort on your part.

I myself am an affiliate for two people I love and believe in and I know for a fact that it is possible to earn from being an affiliate with very little effort.

Of course there needs to be an energy investment on your part so here are some suggestions....

**Ask yourself the following question:**

***“How much do I want to earn each month from this Affiliate Family programme?”***

Let's say you set a clear intention to earn around £400 per month. Remember intention is *everything!*

**The Grounded and Calm Transformation Package** sells for £44. Your earnings from one sale are 50% of that; £22. That means you only need to generate the sale of 19 copies of this one product in a month to reach your target earnings. Let's break that down....That's fewer than 5 sold in a week!

Use this **currency convertor** to see above figures in your currency.

**Now ask yourself another question:**

***“How much time am I willing to give in exchange for the money I will receive?”***

This is one of the basic laws of attraction. Having decided what you want to attract you then declare what you are willing to do in order to open the door to receiving that prosperity.

Be realistic and decide based on your lifestyle and working hours how much time you are willing and able to devote to your role in the Affiliate Family. There is no ‘right’ or ‘wrong’ answer here. Do what works for you. 1 hour a week should be a good start.

**QUICK TIP: Put an ‘Affiliate Promo’ slot in your diary and stick to it. It’s amazing how easy it is to find an hour once you book it in your diary.**

Let’s be clear, I am not talking about hours of hard labour here. My Great Grandfathers were a tin miner and a Lighthouse Keeper. They worked in harsh, cramped and isolated conditions for little pay to feed their families. Now *that’s* hard work. You don’t need to go down a mine; all you have to do is decide what would be the most fun way of telling the world about the The e-Wakening Academy and what you like about it?

I don’t like the ‘hard sell’ thing myself and most sensitives cringe at the idea. That’s why I want you to genuinely find something you like about what I do and what is on offer at **The e-Wakening Academy** and then share from your heart with the whole world about it. Speak your truth.

## How to spread the joy!

If you already have a following on Facebook and/or Twitter and already have a blog or website then you will only need to add a few minutes a day to your usual time chatting and posting on social media. You may even decide to spend time energising your affiliate income rather than doing something else.

£400 a month is pretty close to a part-time wage here in the UK for someone working 21 hours a week in retail. To earn the same amount as an Affiliate Family member you may only need to put in a few *minutes* each day.

**NB: Please always make sure you check the terms of service for your Blog or host site before posting affiliate banners, code or links. Some companies will suspend your account for adding an affiliate banner. For specific guidance on HOW to add a banner to your site please consult your host company's help pages. You will also find help on the 'More Info' page provided for you after signing up (see section '2. Tool Up!' below).**

### 1. Be Prepared (Like every good boy scout!)

Read through the **AFFILIATES FAQs** page. This has been written to help you with every issue or question that might arise for you. It also offers clear instructions about how to get started as an affiliate or deal with any problems.

When you decide to sign up as a member of The Affiliate Family please save the **AFFILIATES FAQs** file and this document to your computer for your reference. The third key page for you which you can access after you sign up is the **More Info** page. So please save and bookmark all 3 of them for your reference as an affiliate!

## 2. Tool Up!

After signing up to the Affiliate Family make sure you visit the '**More Info**' page we have created for you. This is an important page for you as an Affiliate Family member so please take the time to find it.

You can access it via your 'Affiliate Admin' page when you **log in to your E-Junkie account**. E-Junkie are the company that are managing the affiliate programme for us so please take the time to get to know your way around your 'Affiliate Admin' page.

When you click 'Get Affiliate Code' on your Affiliate Admin page, it takes you to a page with a window featuring your basic affiliate 'hop' link. (You may not need to use this link by the way as we have created better ones for you on the '**More Info**' page!).

On this page to the right there is a button marked "**More Info (pop up)**". Click that button and it will take you to the **More Info** page that features your customisable affiliate URL, a text link and all the colourful affiliate banner options we have created for you to use as an affiliate. This is your key resource page so don't miss it!
